Experience The Outdoors from a different perspective.

Students aged 7+ will enjoy a unique and refreshingly different kind of field trip in the tree-tops of the Cape May County Park & Zoo. Our Tree To Tree adventure course gives students and teammates a challenging, stimulating, and memorable aerial adventure experience.

A Tree To Tree Group Adventure:

- Gets them moving, up in the trees, on a series of progressively more challenging obstacles.
- Provides physical challenge and conditioning
- Engages their brains and their bodies
- Can be enjoyed by both the daring and the less adventurous
- Builds health and self-confidence
- Is eco-friendly
- IS INCREDIBLY FUN!
